

# Prairies Economic Development Canada

BMAC & Nevada Lithium Loop Presentation

June 20, 2024

Prairies Economic  
Development Canada

Développement économique  
Canada pour les Prairies

Canada 

# Prairies Economic Development Canada

## Mandate

To support economic growth and diversification in the Prairie provinces and advance the interest of the region in national economic policy, programs, and projects.

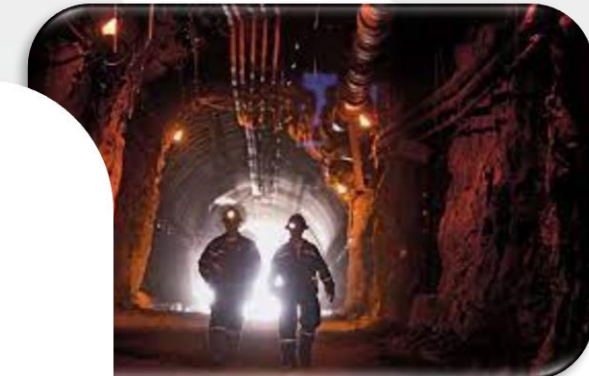

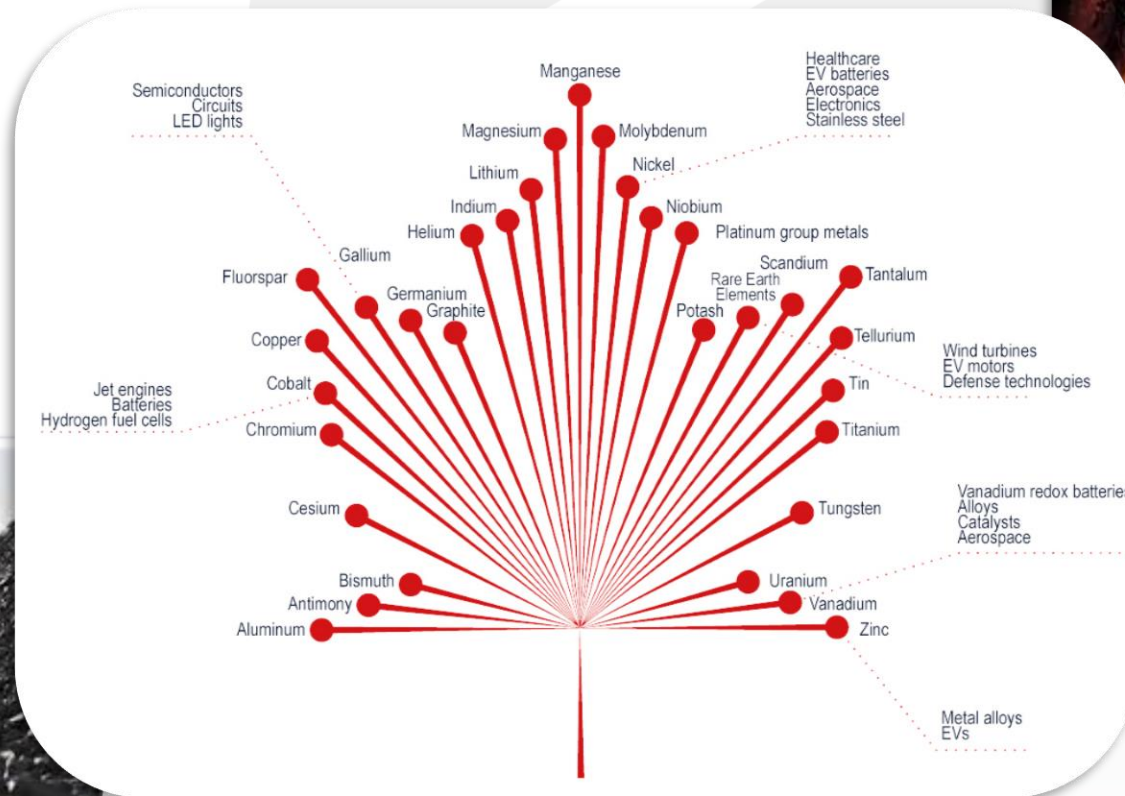

## Vision

To be a leader in creating a more diversified economy in Alberta, Saskatchewan, and Manitoba that has strong, competitive and innovative businesses and communities.

# Canadian Critical Minerals Strategy

Critical Minerals are a group of **31 elements** deemed key to economic growth, green energy generation, defense, and advanced manufacturing by Government of Canada.

# PrairiesCan Critical Minerals - Battery

## Saskatchewan

- \$8.5M SRC Rare Earth Elements.

## Alberta

- \$2.1M Energy Transition Centre.
- \$900K Foresight Accelerator.
- \$850K BMAC.

## Manitoba

- \$10M NewFlyer Industries Heavy Electric Vehicles.
- \$2.9M Vehicle Technology Centre.
